

CALLING EXPORTERS!

Our company JKD & CO. LTD. is located in Central London, United Kingdom and we are the buying agent, import and distributors for various products which we believe can be supplied from manufacturers and exporters in your country, since we need good and reliable suppliers / exporters from your country as we intend to establish a trade relationship with them, that is the good reason why we decided to contact you for assistance to connect us with your country exporters, below we are sending to you the list of some of the products we need:

Food products, agricultural products, fruit and vegetable, pharmaceuticals, frozen foods, meat, chicken and other poultry products, dairy products, processed meat, natural honey, confectionery rice, cereal, beverages and wheat; engineering products, tractors, electric meters, agricultural equipment, medical equipments, electrical appliances, computers, television sets, CDs ,DVDs and radio, refrigerators and generators; garments, t-shirts, underwear, footwear and sportswear; tobacco, cigarettes and chewing tobacco and furniture and building materials.

The above mentioned products are what we need to import from your country and distribute to our end buyers both in the UK and beyond. We have several buyers around the world and we know that there must be some exporters who have the capacity to supply some of the above products

All interested exporters are asked to contact Mr. John Douglas, Director and CEO at jkdcoltd@yahoo.co.uk or via telephone at +44 703 591 4978.
